

ME/SE 740 Final Project Report Submission 2026

- All reports to be submitted as pdf's on Blackboard. Report maximum length is 8 pages, excluding references.
 - You may also submit your final presentation (optional), and you may submit supplementary material such as code (perhaps through a Github) and videos (using Google drive for large files). Simulation-based projects should submit.
- Reports due April 30..
- **Naming convention:** Your pdf file should be named "YourName.pdf".
